

Come along as we find local companies where their products are still **MADE IN THE USA!** Our choices will come from this list; time permitting

Friday, October 2, 2020

Ozarks Coca-Cola Bottling Company is a third generation, family-owned bottler in Missouri. In March of 1920, Edwin C Rice, Sr and his family moved from Kentucky to Springfield to purchase the Electric Bottling Company. Coca-Cola was just a small portion of the Rice's business at the time.

COOK

Loren Cook is proud to be a leader in the design and manufacturing of fans, blowers, gravity vents, laboratory exhaust systems and energy recovery ventilators.

Springfield Leather Company went into business in 1999 when Tandy Leather decided to close all of their store locations. The new owner was Kevin, who had managed this store for 16 years prior to the sellout. They offer tools, interiors and kits, hardware, beading, leather, machinery, lace,, crafts and finished products

Springfield Brewing Company has been in business since 1997 and started when the Paul Mueller Company purchased the building, creating a beautiful showcase for their one-of-a-kind stainless steel brewery tanks. The brewery, over the past several years, has been the proud recipients of Great American Beer Festival awards. Their restaurant, where we'll enjoy our homemade lunch, takes pride in operating as a scratch kitchen.

National
Audio
Company

National Audio Company is the largest manufacturer of professional quality audio cassettes in the USA. They are also one of very few still in operation.

EXECUTIVE COACH BUILDERS

For over 40 years Executive Coach has been the premier luxury limousine and bus builder committed to manufacturing high quality vehicles backed with an exceptional warranty/after sales service. David Bakare, the current owner, took over in 1993 and first started production in Seymour.

MUELLER

Paul Mueller Company believes the only quality that matters is quality that works for life. With every piece of processing equipment they build, their goal is to have a lasting impact. From solar milk coolers in rural Africa, to lifesaving medical technology across the globe.
