**Join us for our WOW FACTOR TOUR!**

We'll start our day at the Wonders of Wildlife National Museum & Aquarium where we'll step into the wild with state-of-the-art 4D dioramas that surround you within the sights, sounds and smells of the planet's most extreme wildlife habitats. Meticulously recreated lifelike environments transport you to the wild, demonstrating the importance of conserving the icons of the animal kingdom. Each habitat features painstaking attention to the detail including massive hand-painted murals, native foliage and special effects that deliver the chill of the Artic, cold winds of the Alps and the dry sun of the African Savannah.

Next up we'll go inside Bass Pro and head to Hemingway's Restaurant for a most wonderful buffet meal. This restaurant was inspired by the American saltwater fishing legend - Ernest Hemingway, an avid international sportsman and one of the pioneers of big game fishing,

Next up we're headed to the Springfield History Museum on the Square where we'll see 6 different galleries pertaining to the Gateway to Indian Territory, Trains, Trolleys and Transportation, Birthplace of Route 66, Wild Bill Hickok & the American West, Civil War in Springfield and Pioneers and Founders at the Crossroads. Then we'll take the Executive Director of the Museum back on the bus with us for a step-on-guide that will take us around Springfield and share even more history with our group.

As we travel throughout Springfield, we'll make a stop at Ms Gilmore's Vintage Suitcase & Tea Room on Commercial Street to enjoy an awesome homemade dessert and drinks. You may even have a bit of time to look at all the amazing items she has in the Vintage Suitcase, and take home some specialty desserts or bon bons for later!
